Visit to the Pisa Botanical Garden

The Botanical Garden of Pisa is an important educational and scientific facility of the University of Pisa, founded in 1543 by Luca Ghini it was the first university botanical garden in the world.

Located near the Piazza dei Miracoli, the garden houses a vast array of plants from five continents: succulents from the African and American deserts; aromatic plants from the Mediterranean scrub; species from Tuscan marshes; numerous centuries-old trees as well as historical collections and a botanical museum. It is a place of study and meditation, with an important floral and botanical selection, and also offers opportunities to engage with the interpretative systems of science and the collecting traditions of the past.

APERITIF in Chalet Caffetteria Bistrot

Chalet Caffetteria Bistrot is located in a scenic spot overlooking the Arno River and the greenery of the Piagge. The outdoor area is informal yet welcoming and unique, with tables, lights, and umbrellas forming the many dining areas, including a large terrace overlooking the river and a romantic "heart-filled" room. Then comes the elegant interior, with cozy seating, air conditioning, and glass walls overlooking the river.

The aperitif consists of:

- Buffet island with pecorino cheese (fresh, aged), cured meats (raw ham, *capocollo*, Tuscan salami), bocconcini with porchetta and salsa verde, mixed bruschetta (2 types), vegetable flans, fried delicacies (2 types);
- Island Bar with red wine, white wine, prosecco, non-alcoholic juices, water, or 1 glass per person drink (with fish served at the entrance);
- Tasting of 1 first course: paccheri with 3 tomatoes.

Please report gluten-free and/or dairy-free options as well as vegetarian and vegan menus.
